

**A Full Environmental Impact Statement
is in best interest of our community, our families, and our
homes.**

NYDEC Definition:

An Environmental Impact Statement (EIS) concisely describes and analyzes a proposed action which may have a significant impact on the environment. The EIS is available to the public for information and comment. An EIS must include:

1. description of the action, including its need and benefits;
2. description of the environmental setting and areas to be affected;
3. an analysis of all environmental impacts related to the action;
4. an analysis of reasonable alternatives to the action;
5. identification of ways to reduce or avoid adverse environmental impacts.
